

STATE CAPITOL JOINT MANAGEMENT COMMISSION RESOLUTION revoking COVID-19 rules for accessing the State Capitol Complex.

Be It Resolved by the State Capitol Joint Management Commission as follows:

1. The State Capitol Joint Management Commission (“Commission”), recognizing that New Jersey has made significant progress in responding to COVID-19 and mitigating its devastating effects, the Commission implements the following rule changes;
2. All COVID-19 related restrictions implemented by the Commission for the State Capitol Complex are hereby revoked, including, but not limited to, the requirement that guests and members of the public wear face coverings and the public space (including hallways and elevators) occupancy restrictions or social distancing requirements that were implemented to address COVID-19;
3. In a reasonable time frame, the Building Manager shall remove any COVID-19 related signage and sanitizer stations and shall return to any public space, including the Senate Chamber, General Assembly Chamber and committee rooms, any furniture that was removed for the purpose of promoting social distancing;
4. The enhanced cleaning services that were approved by the Commission on May 26, 2020 are no longer necessary and the Building Manager is authorized to modify cleaning services for the State Capitol Complex so that the services are similar to the services that were being provided prior to COVID-19 related changes;
5. The rules set forth in this resolution shall take effect immediately.
